Thanksgiving Is Near!

By Ellie Wertz

Thanksgiving is only two days away! Many people look forward to Thanksgiving to visit with relatives and to eat delicious food. It is also a holiday where people go out and help in their communities. Many food banks are extra busy around the holidays. This year in the school office Student Council will have a bin that will be collecting non-perishable food from the start of Thanksgiving until Christmas. All of this food will be donated to the Second Harvest Food Bank in Erie.

The Caring Place

By Kaylee Bond

Two 8th graders Samantha Kopkowski and Zion Clark have been helping at the Caring Place. We have been learning lots about this in school. Here is their input on it. "The Caring Place is a space to help people who are grieving because of their loss. You go into groups and volunteers do activities with you. This helps with the grieving process. You get to talk and make boundaries with other kids. To go there, you will need an adult. Then, you will be separated from how old and maturity level. This process can be comforting and sometimes fun." as Samantha states. If you are grieving, talk to an adult and visit the Caring Place.

LMA SPORTS

BY ELLIE WERTZ

Winter sports are starting soon. Students can sign up for swimming and basketball this winter.

The LMA swim season has already started. LMA practices and swims with St. Lukes. The first meet is at 12:30pm on Sunday, December 11 at the Cathedral Prep Events Center on West 12th Street.

The LMA basketball team is still looking for a coach. Practices will begin as soon as a coach is named.

LMA athletes love a great cheering section at games and meets. Check the calendar and come cheer on your friends at upcoming events.

If you plan on joining a winter team or if you know someone interested in coaching basketball, please see Mrs. Fried in the school office.

The new student council members of 2022 have been chosen from each class, grades 4-8. Many people are excited for what the student council of 2022 can bring to our school. Here is what some of them are looking forward to with a cooking club being the biggest topic for this year's members.

- Marcus wants a comic and cooking club.
- Mitchell wants to make a club called The Cubers Club. He wants to teach people how to solve a 3x3 Rubix Cube.
- Haven would like to keep the bathrooms clean. Haven also wants to bring awareness to the necessity of people keeping the bathrooms clean and making sure people don't write on the walls.

If you have any requests or questions, talk to your student council representatives.
